New T-hangars at the Kissimmee Gateway Airport

We are taking off and want you to come aboard! Thank you for considering SheltAir Aviation Facilities Kissimmee as a home for your aircraft.

We realize that choosing a location for your aircraft is a major decision; but we know that you'll be impressed with our hangar facilities.

This exclusive and secured new hangar site has easy runway access and consists of over 70 nested, full-size T-hangars, capable of accommodating single and light-twin engine aircraft with a clear door width of 42ft. with a 32ft. depth. In addition, six individual 45ft. x 35ft. box hangars are on the site for the larger aircraft.

Please call our leasing office to reserve your space today. Our professional management team will be happy to answer any questions you might have.
