## T-hangars at the Space Coast Regional Airport

We are taking off and want you to come aboard! Thank you for considering SheltAir Aviation Facilities at the Space Coast Regional Airport as a home for your aircraft. SheltAir currently owns and manages 14 T-hangars and 2 corporate hangars totaling 27,000 square feet.

We realize that choosing a location for your aircraft is a major decision; but we know that you'll be impressed with our hangar facilities.

Please call our leasing office to reserve your space today. Our professional management team will be happy to answer any questions you might have.
